Civil Action No. 5:12-cv-00125-EJD

**~~PROPOSED~~ ORDER GRANTING
THIRD EXTENSION OF TIME
FOR CASE MANAGEMENT
CONFERENCE AND RELATED
DATES**

IT IS HEREBY STIPULATED by and between the parties hereto pursuant to
Local Rule 7-12, and with the approval of this Court, that the ADR deadlines, Case
Management Conference and related dates, be extended from their presently noticed
dates based upon the following:

WHEREAS, on or about March 6, 2012 the parties submitted their first
stipulation to extend the time for the ADR deadlines as well as the Case
Management Conference ("CMC") and related dates, (Dkt. 21), and, on March 7,
2012, the Court denied the request on the grounds that Plaintiff's First Amended

**~~PROPOSED~~ ORDER GRANTING THIRD EXTENSION OF TIME FOR CASE MANAGEMENT CONFERENCE
AND RELATED DATES**

1 Complaint rendered Defendants' motion to dismiss moot; and

2 WHEREAS, thereafter on or about April 3, 2012 this Court, in response to the
3 parties' stipulation, granted the parties' request that the ADR deadlines and CMC
4 and related filing dates be continued due to the proximity with the hearing on
5 Defendants' Motion to Dismiss the First Amended Complaint and the CMC, both
6 scheduled for April 27, 2012 (Dkt. 25); and

7 WHEREAS, as a result, the Court continued the CMC from April 27 to June
8 1, the ADR deadlines from April 6 to May 13 and the date for filing the Rule 26
9 Report, submission of the Initial Disclosures and the Case Management Statement
10 from April 20 to May 26, 2012; and

11 WHEREAS, on April 25, 2012 the Court continued the hearing on the
12 motion to dismiss from April 27 to May 11, 2012 (Dkt. 28) and, thereafter, on May
13 8, 2012, vacated the hearing and took the motion under submission without oral
14 argument (Dkt. 29); and

15 WHEREAS, on May 15, 2012, pursuant to the parties' stipulation, the Court
16 entered its order (Dkt. 31) ordering the ADR deadline to be continued to July 13,
17 2012, the Rule 26(f) Report, Initial Disclosures and Case Management Statement to
18 August 3 and the CMC to August 10, 2012.

19 WHEREAS, under the present schedule, the parties are to meet and confer
20 regarding the Case Management Statement on or before July 13, submit the ADR
21 Certification and Stipulation re ADR by July 13; prepare and file the Rule 26
22 Report, Initial Disclosures and Case Management Statement by August 3; and

23 WHEREAS, it continues to be the parties belief that preparation of the Case
24 Management Statement, Initial Disclosures and Rule 26 Report is premature at this
25 juncture for the following reasons: (1) the Court's decision with respect to
26 Defendants' motion to dismiss will have an impact upon virtually all of the filings in
27 preparation for the Case Management Conference insofar as the claims that will be
28 at issue, the discovery required as between the parties as well as third parties and

1 possibly the ADR that the parties would select as being the most efficacious; (2)
 2 Defendants have not filed an answer to the First Amended Complaint, so any
 3 affirmative defenses it may assert must await the Court's decision on the motion; (3)
 4 Defendants have made no determination as to any counterclaims or possible third
 5 party complaints as such would await the decision of the Court on the motion to
 6 dismiss; (4) the Court's determination of the motion to dismiss would also affect the
 7 application of this Court's local patent rules to this action in the event that the Court
 8 grants or denies the motion with respect to Plaintiff's causes of action for
 9 declaratory relief as to non-infringement and invalidity of the patents of Defendant
 10 System Planning Corporation;

11 Accordingly, even if the Court rules on the motion in the very near future, the
 12 foregoing issues, including the need for Defendants' responsive pleading, lead the
 13 parties to believe that to conserve judicial resources the CMC should be continued
 14 so as to permit this Court to rule on Defendants' motion and, thereafter, allow the
 15 parties to prepare for the CMC based upon this Court's ruling and the pleadings
 16 placing the matter at issue. In addition to the foregoing, as a calendar issue, counsel
 17 for Defendants is also scheduled to commence a three week trial in the Los Angeles
 18 Superior Court, Case No. PC034375, *P.C. Specialist, Inc., etc. v. Nexus IS, Inc., et*
 19 *al.* and accordingly seeks to set new dates that will permit the CMC to be held after
 20 that trial is scheduled for completion.

21 The parties therefor respectfully request that the Case Management
 22 Conference, and related filing deadlines as well as the ADR deadlines be revised as
 23 set forth below:

24			
25	Event	Present Date	New Date
26	CMC	August 10, 2012	November 9, 2012
27			
28	ADR Deadlines	July 13, 2012	October 5, 2012
